ADVICE TO ORGANIZED LA A

...M A MEMBER OF ORGANIZED LABOR FOR 64 YEARS(JULY 7th 1883).

OBEY THE LAW AS PASSED BY CONGRESS KNOWN AS THE TAFT-HARTLEY ACT.

PROTEST" STRIKES WILL DO YOU NO GOOD; IT SIMPLY ENDANGERS OUR ECONOMIC STRUCTURE. YOU CANNOT EXPECT ANY RELIEF OF THIS VICIOUS LAW FROM THE PRESENT CONGRESS, SO ABIDE BY THE LAW AS IT IS. THERE ARE SOME SECTIONS THAT ARE ABSOLUTELY UNCONSTITUTIONAL AND OUR SUPREME COURT WILL SO DECIDE.

NOW FOR THE CAUSE OF OUR PRESENT LABOR LAW ORGANIZED LABOR IS RESPONSIBLE. WE NEGLECTED TO GO TO THE POLLS AT THE 1946 ELECTION AND " VOTE FOR OUR FRIENDS AND AGAINST OUR ENEMIES " AS MY OLD FRIEND SAMUEL GOMPERS ALWAYS ADVISED MEMBERS OF ORGANIZED LABOR.

WE NEGLECTED TO VOTE AND THAT IS THE RESULT OF THE TAFT-HARTLEY LAW.WAIT PATIENTLY TILL THE 1948 ELECTION AND BE SURE AND VOTE FOR YOUR FRIENDS WHO GAVE YOU THE MOST FAVORABLE FAIR LABOR LEGISLATION FROM 1932 THAN WE GOT SINCE JAMES A. GARFIELD WAS INAUGURATED PRESIDENT IN 1881 WHEN THE AMERICAN FEDERATION OF LABOR WAS ORGANIZED IN 1881.

BUT WE WERE INGRATES FOR NOT REWARDING OUR FRIENDS AND REELECTING THEM IN 1946.

NOW FOR A LITTLE POLITICAL ADVICE:-DO NOT ENCOURAGE A THIRD PARTY MOVEMENT FOR 1948. IF THAT OCCURS YOU WILL HAVE NOT ONLY A REPUBLICAN CONGRESS BUT A REPUBLICAN PRESIDENT. THE SAME THING WILL HAPPEN TO THE DEMOCRATIC CANDIDATE THAT HAPPENED TO SENATOR TAFTS' FATHER IN 1912 WHEN TEDDY ROOSEVELT BULL-MOOSED THE REPUBLICAN CANDIDATE. SO BEWARE AND DONT HELP THE SAME THING HAPPEN TO US AND LOSE OUR CHANCE OF GETTING SOME RELIEF FROM THE TAFT-HARTLEY LAW.

COPY

I HAVE BEEN A CLOSE OBSERVER OF LABOR LEGISLATION AND THE POLITICAL MANEUVERS IN OUR COUNTRY FOR OVER SIXTY YEARS, SO PLEASE TAKE MY HUMBLE ADVICE AND DISCOURAGE ANY WILD PARTY MOVEMENT FOR THOSE WHO ARE ENCOURAGING IT ARE BUT OUR SINCERE FRIENDS.

AGAIN I WILL APPEAL TO YOU; DON'T FAIL TO VOTE FOR OUR FRIENDS IN 1948 AND WE WILL AT LEAST GET SOME RELIEF FROM THE PRESENT TAFT-HARTLEY LAW WE NEVER DID ASK FOR ANYTHING MORE THAN A FAIR DEAL AND WE GOT IT FROM 1933 TO JUNE 1947.

Dear Sir and Brother:

Senator Ellender demonstrated his opposition to the American Federation of Labor when he voted for the notorious Taft-Hartley Bill and later when he voted to override the President's veto of said measure. He stood solidly with reactionary Republicans in support of this legislation and against the President of the United States. Notwithstanding the appeals we made to him to stand by labor and the President, the leader of his party, he refused to do so. Now, we must speak to him in another language. That language should be the votes of laboring people and their friends in Louisiana in opposition to his re-election. He will be a candidate for re-election to the Senate in 1948. Surely labor in Louisiana cannot vote to return to the Senate a man who proved himself to be labor's bitter enemy through his support of the Taft-Hartley Bill.

Will you please advise me if, in your opinion, we can bring about the defeat of Senator Ellender for re-election to the United States Senate? Will the membership of the American Federation of Labor in Louisiana and all its friends unite in voting against the re-election of Senator Ellender in the event he is a candidate for re-election to the Senate of the United States in 1948? Please send me an answer to this inquiry at your earliest opportunity.

Dear Sir and Brother:

I thought you might be interested in learning some of the reactions to the passage of the Hartley-Taft Bill, on the part of the Michigan Federation of Labor Convention held last week. It is needless to say that the delegates unanimous signified their objections in a militant manner that leads me to believe under well directed leadership that this defeat may well be turned into a distinct trend of advantages for labor in general, and in the American Federation of Labor union in particular.

Out of a "Bull Session" that included most active and responsible members of our unions it was decided to attempt to make Senator Furguson a focal point on a drive to elect someone his successor, in light of the fact that he represents all the anti-union forces and he is new enough in congress so that he is not taken by the voters as an established matter of fact.

Secretary Reid of our State Federation of Labor will contact you about the middle of this month relative to obtaining some advice and approvals of a tentive program that we have in mind that would unite all progressive elements to defeat Ferguson by possible using Reid against him.

Again let me express my appreciation for your assistance, and to again say that I was happy to work out of your office while assigned there by the Michigan Federation of Labor.

Dear Mr. Harry:

I received and read your letter dated June 23rd with very great interest. You reported upon an experience which you passed through some years ago out of which you learned a lesson. That is made clear in the letter you sent me.

Be assured it is the purpose of the American Federation of Labor to carry on the fight against the Taft-Hartley Bill until we succeed in bringing about its repeal. That is our objective. We shall carry on the fight in the courts and in the Congress and against the Members of Congress who voted for the Taft-Hartley Bill in the event they are candidates for re-election. In addition we will use other methods which may be available in fighting this Taft-Hartley Bill.

The information which reaches me shows that labor throughout the entire United States, in every community, city, town and village, is deeply aroused because of the attack which has been made upon labor by the Congress of the United States and a number of state legislatures. That means that labor can be brought into action in a united and solidified way. United action of this kind on the part of labor will be powerful and effective.

I noted that you have been a member of American Federation of Labor unions for a long length of time and that you are now a member of the B. S. E. I. U. I am

confident you can render the American Federation of Labor excellent service in the position you occupy with Local #193.

Dear Mr. Davis:

I am in hearty accord with the suggestions submitted in your letter dated June 25th and with the logic and sound reasoning you presented therein. I am confident working men and women in the United States prefer collective bargaining to government dominated collective bargaining as provided for in the Taft-Hartley Law. We wish to be free and to engage in collective bargaining because we are wedded to the principle of industrial self-government.

The war taught us many lessons. We learned in order to win the war, we must subject ourselves to such a degree of governmental control and domination as may be necessary but we also learned that labor in a democracy cannot and will not voluntarily submit itself to government domination and government control.

The United States is the last stronghold of the free enterprise system, of industrial self-government and the democratic way of life. While maintaining the exercise of the right to stike as a fundamental freedom that we can never sacrifice or surrender, nevertheless, we earnestly seek to reduce strikes and lockouts to the lowest possible minimum. We wish to demonstrate that this can be done through free collective bargaining, through management-labor cooperation--free from governmental domination and governmental control.

I am pleased to send you this reply to the inquiry submitted in your letter dated June 25th.

As you know, we have just closed a very successful convention of the state federation of labor here in Dallas. I wish to report this convention as being very helpful to the organized movement in this state.

I would like also to ask, if possible, to be kept informed of any new developments that may arise from the study being made of the labor bills currently before Congress that will enable me, through my talks to the various organizations in this district, to keep them fully acquainted with the progress we are making in our opposition both to the recent enactments and their authors. It is my intention to appear before all the organizations in this vicinity at least once a month, pleading for harmony and unity so that we may present a more solid front fraternally and politically.
